October, 2021

Dear All Saints Parishioners,

I write to you during the continuation of the COVID-19 pandemic and pray that you are well. These are difficult times for many, whether it be health, employment, or family concerns. I am very happy that we are able to have people join together for Mass with appropriate health precautions so that they can be sanctified by God's Word and the Holy Eucharist. Some of you with health concerns are not yet able to return to Mass and participate through our live stream Mass for the homebound.

Our parish School, Religious Education program, and many ministry programs have re-started in-person following the Catholic Diocese of Arlington health protocols.

There are several points to which I would like to draw to your attention as you review the annual parish financial report:

1. Bishop Burbidge granted the parish a two month deferral of our building loan. In addition, Bishop Burbidge awarded our parish a one-time, restricted \$228,000 *Extraordinary Dividend* to help with infrastructure, debt reduction, etc., subject to approval by the Diocesan Finance Officer. Those funds will be allocated to deferred maintenance and other needs as determined by our parish Finance Council.
2. During the pandemic, we did not fill the positions of retiring and resigning staff. Our staff worked incredibly hard to see that the parish could still function throughout the year and a half which started with the pandemic. It is only recently that we filled these other positions because we have work that can no longer be left undone.
3. The School was able to obtain a one-time reimbursement of some expenses through the *Emergency Assistance for Non-Public School* (EANS) program.
4. From church operations there was a loss for FY21 of \$105,000 compared to a net excess in the prior fiscal year. The one-time extraordinary items provided us the positive net amount. The result of these items on the report is that it looks as if we have sufficient money for our operating costs. However, these one-time funds have been committed for various purposes.
5. Throughout last year, our offertory collections were significantly down. However, with more people coming to Mass, we are seeing our collections increase. There is a lagging trend of the effect of the decrease in offertory income, for which we are still trying to recover.

I ask that you consider your ability to contribute to our weekly parish offertory. As you can see from the annual financial report, our ordinary income was down by \$379,947 last year. We need to provide for staff salaries, ministry development, and the upkeep of our facilities. Please review God's blessings to you and prayerfully consider how your present situation allows you to participate in our weekly offertory giving. Thank you. You are remembered in my prayer.

Sincerely yours in Christ,

(Rev.) Lee R. Roos, V.F.
Pastor

Notes to Financial Statement

Extraordinary Income in FY21 consists of the following one-time items: \$331,200 forgiveness of the Small Business Administration's Payroll Protection Program loan, \$228,000 grant from the Diocese of Arlington (restricted to capital projects and debt reduction), and \$166,289 in special project restricted donations. The FY20 amount consists of special project restricted donations.

Extraordinary Expense in FY21 includes \$97,388 one-time adjustment for recognition of prior-year employee paid vacation liability. The remainder were capital expenditures. The FY20 amount consists entirely of capital expenditures.

octubre del 2021

Estimados feligreses de Todos los Santos,

Les escribo durante la continuación de la pandemia del COVID-19 y rezo para que estén bien. Estos son tiempos difíciles para muchos, ya sea en salud, empleo o preocupaciones familiares. Estoy muy feliz de que podamos unir a las personas para Misa con las precauciones de salud debidas, para que puedan ser santificados por la Palabra de Dios y la Sagrada Eucaristía. Algunos de ustedes con problemas de salud aún no pueden regresar a misa y participan a través de nuestras Misas de transmisión en vivo para personas en confinamiento.

Nuestra escuela parroquial, programa de educación religiosa, y muchos más programas de ministerios han reiniciado a en persona siguiendo los protocolos de salud de la Diócesis Católica de Arlington.

Hay varios puntos sobre los que me gustaría llamar su atención mientras revisa el informe financiero anual de la parroquia:

1. El Obispo Burbidge otorgó a la parroquia un aplazamiento de dos meses en nuestro préstamo de construcción. Adicionalmente, el Obispo Burbidge otorgó a nuestra parroquia un restringido *Dividendo Extraordinario* de \$228,000 para uso único en ayudar con infraestructura, reducción de deuda, etc., sujeto a aprobación del Oficial de Finanzas Diocesano. Esos fondos se asignarán a mantenimiento diferido y otras necesidades determinadas por nuestro Consejo de Finanzas parroquial.
2. Durante la pandemia, no llenamos los puestos de personal que se jubilaba y renunciaba. Nuestro personal trabajó increíblemente duro para ver que la parroquia aún pudiera funcionar durante todo el año y medio que comenzó con la pandemia. Es solo que recientemente llenamos estos otros puestos porque tenemos un trabajo que ya no se puede dejar sin hacer.
3. La Escuela pudo obtener el reembolso de algunos gastos a través del *Programa de asistencia de emergencia para escuelas no-públicas* (EANS).
4. En las operaciones de la iglesia hubo una pérdida para el año fiscal 21 de \$105,000 en comparación con el exceso neto del año fiscal anterior. El Dividendo Extraordinario de uso único nos proporciona una cantidad neta disponible. El resultado de estos artículos en el informe es que parece que tenemos suficiente dinero para nuestros costos operativos. Sin embargo, estos fondos únicos se han comprometido para diversos fines
5. Durante todo el año pasado, nuestras colecciones bajaron de modo significativo. Sin embargo, con más gente viniendo a Misa, estamos viendo un aumento a nuestras colecciones. Hay una tendencia rezagada del efecto de la disminución de los ingresos del ofertorio, por la que todavía estamos tratando de recuperar.

Les pido que consideren su habilidad para contribuir a nuestro ofertorio parroquial semanal. Como puede ver en el informe financiero anual, nuestros ingresos ordinarios se redujeron en \$379,947 el año pasado.

. Necesitamos cubrir los sueldos del personal, el ministerio en desarrollo y el mantenimiento de nuestras instalaciones. Por favor, revise las bendiciones de Dios hacia usted y en oración considere cómo su situación actual le permite participar en nuestra ofrenda semanal. Gracias. Ustedes están en mis oraciones.

Sinceramente tuyo en Cristo,

(Rev.) Lee R. Roos, V.F., Parroco
